**<<IGLASSES DO NOT ONLY
FOCUS ON STYLE BUT IT
DOES ON A BETTER LIFE>>**

JUÁN CARLOS GARCÍA

Founder of IGLASSES

ORIGINS

Juan Carlos García was inspired by an action film and decided to create a product similar to the movie ones.

He designed the Iglases but couldn't find the money he needed to start the business so he worked in different companies to gather the enough money to create the company and also to have more ideas.

WHY CHOSING

IGLASSES?

Our commitent of improving people way and quality of life Iglases guarantees you and improvement on your sight. It has a affordable prize

CHARACTERISTICS

BLUETOOTH

Our product includes a last model bluetooth system which makes it possible to take calls without taking out the mobile phone or even touching anything.

GRADUATED MULTISYSTEM GLASSES

Our glasses will let you see notifications, battery or anything you want to see without taking the phone. It will appear on your glasses and only you will be able to see it.

HOW TO BUY IGLASSES?

1. First, you need to go to your nearest optics so we can personalize the Iglases for you
2. Then the optics sends the measurements to our factory so they can manufacture the Iglases
3. Lastly, we will send you the glasses and you will receive them in a maximum of three days
